

Prevention & Management of Lifestyle Disorders

Scientifically formulated protocol to insure you against Lifestyle Disorders

Root Cause Reasons for Lifestyle Disorders		Solution to Counter the Root Cause	Recommended Supplement
1	Deep Seated toxins in liver and other organs.	Comprehensive Detox	Deep Detox Cell Activator
2	Nutritional Imbalance Macro and Micronutrient Deficiency	Replenish Protein, Vitamins, Minerals and Amino Acids	Isobalance Plant Protein
3	Chronic stress leads to cellular stress which leads to internal inflammation cause of High BP, Type 2 Diabetes, Effect on Heart, Brain, Gut, Skin, Hair and Joint Health	For the first time: A Vegetarian solution comprising of Omega 3, Antioxidants & Astaxanthin	Vegan Omega Oil
4	Biggest root cause of lifestyle disorders and lack of vitality is change of cellular chemistry from alkaline to acidic.	An original formulation to restore alkaline body chemistry. Root cause solution also for chronic acidity problems	Nutrilizer Mag
5	Root source of all ailments lies in your gut. Brain-Gut axis determines both your physical health and mental health. Gut health depends on the combination of good bacteria and bad bacteria in your microbiome	Increase the quantity and health of good bacteria in your intestines.	Pre-Probiotic/X-Bloat
6	Magnesium takes part in 600 biochemical reactions. Blocked biochemical reactions is one of the root causes of lifestyle disorders. Magnesium is the most important mineral because it helps in the absorption and efficacy of other minerals. Magnesium reverses the calcification of arteries.	Restart the blocked reactions for calmness, muscle relaxation, Normalizes BP & regular bowel movement. Our formulation has 4 types of Magnesium to specifically restart the various facets of your biochemical buildup.	Magnesium Quattro
